

**INSTALLATION INSTRUCTIONS
BILLET REAR BRAKE PEDAL
GYT-1P627-10-AL
TTR-50**

⚠ WARNING

Please read and understand these instructions completely before installation to avoid possible injury to yourself, or damage to the accessory or vehicle.

CAUTION:

- This installation should be performed by an authorized Yamaha dealer or a qualified mechanic. Some components require information from the model's service manual for proper installation or adjustment. Be sure to have the service manual on hand, if necessary, before proceeding with the installation.
- Alteration of emission-related components constitutes tampering under Federal and State laws and can lead to substantial fines and penalties if used other than in closed-course competition.
- GYTR engine-related competition parts are intended for closed-course racing applications only.

Dealer:

These instructions contain important information for future reference and *must* be given to the customer.

Warranty Information:

- Genuine Yamaha GYTR components are covered by a 90-day warranty against defects in material or workmanship. Labor for replacement of defective components is not covered. See your Yamaha dealer for a copy of the warranty statement.
- The Yamaha Limited Warranty provided with new Yamaha vehicles has exclusions for certain failures, including those caused by competition or racing use (except YZ and WR motorcycle models) as well as by abnormal strain or abuse. While installation of these GYTR components will not "void" your vehicle's warranty, specific failures adjudged by Yamaha to have resulted from the installation of accessory components or other modifications, or from competition use (except YZ and WR motorcycle models), may not be covered by warranty or Yamaha Extended Service.

1. Kit Contents:

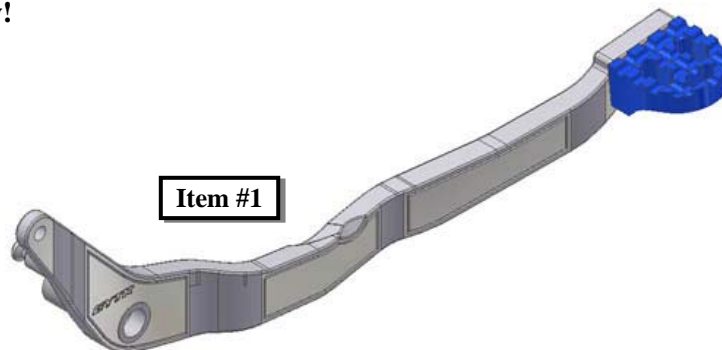

This kit contains the following components, before beginning installation confirm there are no damaged or missing items.

Item #	Part Number	Part Name and Description	Qty
1	GYT-1P627-10-00	BILLET REAR BRAKE PEDAL	1
2	*	COTTER PIN, 2 X 15mm	1
3	*	COTTER PIN, 2 X 20mm	1

* Part is supplied with the kit only and is not a replacement item.

CAUTION:

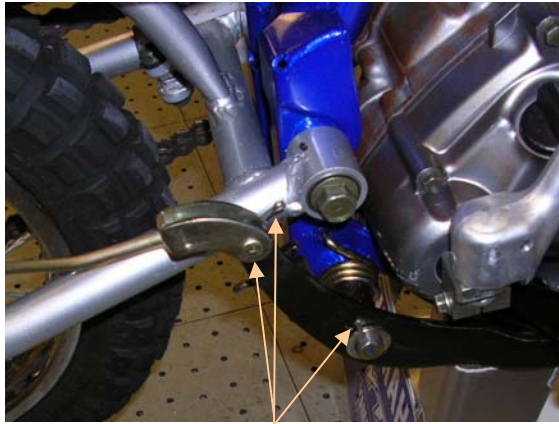

Billet Brake Pedal works in conjunction with the Heavy Duty Foot Peg Bracket P/N GYT-1P636-00-00 only!

2. Preparation:

- Place motorcycle on a secure stand.
- Clean all mounting surfaces before beginning installation.

3. Installation:

Remove cotter pins and washers from OEM brake lever pivots and retain washers for reassembly. Pull out the link pin and move linkage to the side.

Use a large Flathead screwdriver to pry the return spring off of its perch. Remove the OEM brake lever.

Apply a thin film of grease to pivot shaft and inside of brake lever. Slide return spring onto brake lever and install assembly on Motorcycle. Use a large zip-tie to pull the return spring onto its perch.

Reassemble using OEM washers and new cotter pins Items 2 and 3.

4. Maintenance:

Periodically check all hardware for tightness and re-torque as required.

5. Care and Cleaning:

Wash using a mild soap and water solution and soft cloth.

6. Customer Service:

For further information see your Yamaha dealer.
