PART # 1RC-F48D0-V0  
MODEL: FZ-09

### DEALER OR INSTALLER:

Please keep a copy of these as they contain important information for future reference.

#### **⚠ WARNING**

Please read and understand these instructions completely before installation to avoid possible injury to yourself, or damage to the accessory or vehicle.

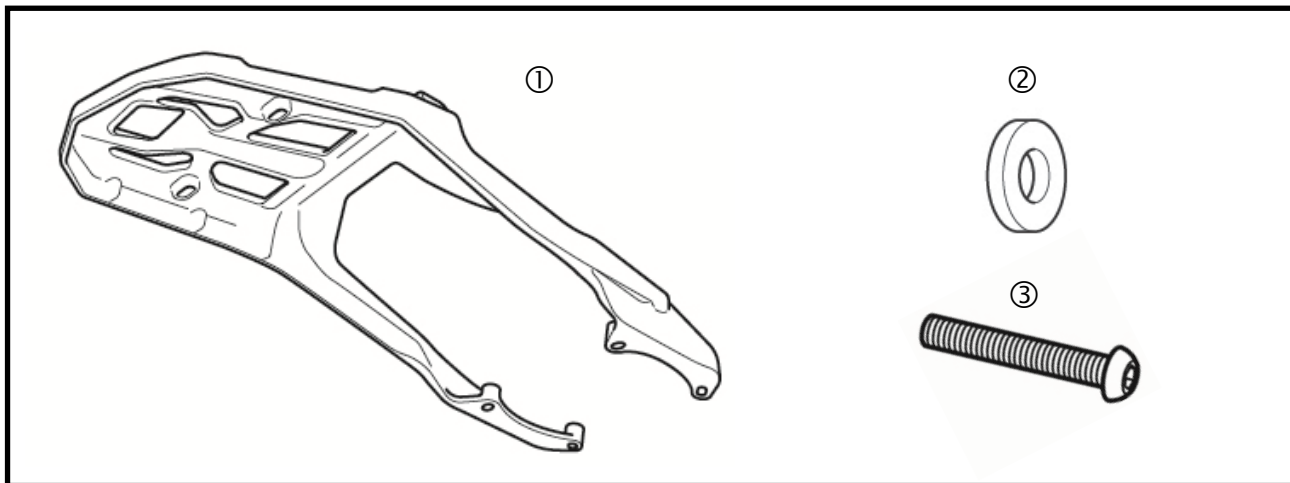

#### **NOTICE:**

This installation requires a Yamaha Service Manual, torque wrench, and a 27 mm hole saw drill bit.

#### **WARRANTY INFORMATION:**

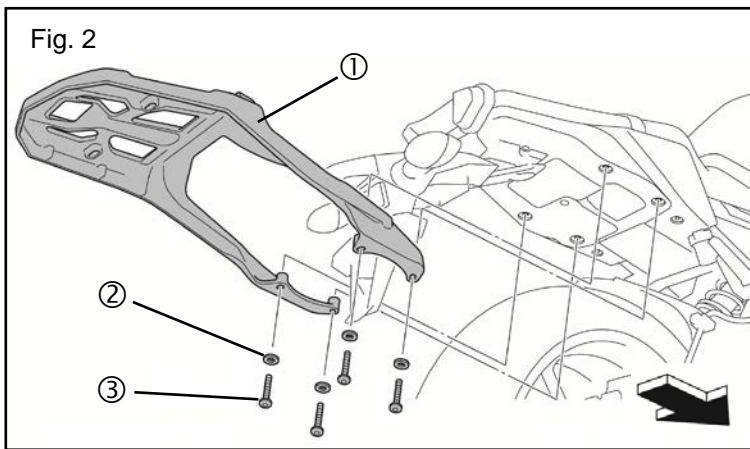

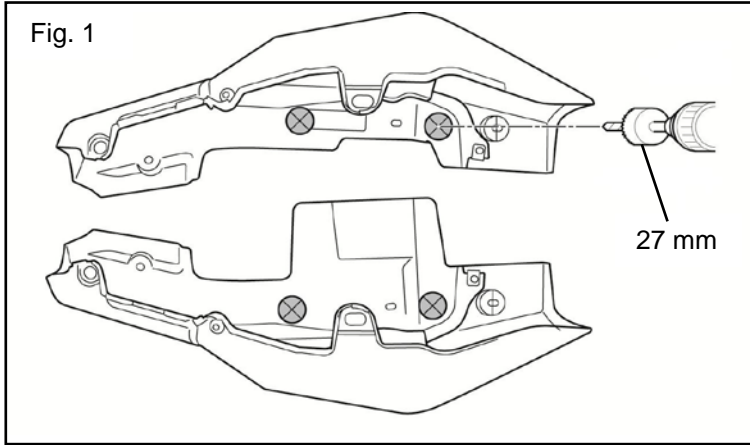

Genuine Yamaha accessories are covered by a one-year warranty against defects in material or workmanship. Labor for replacement of defective components is not covered. See your Yamaha dealer for a copy of the warranty statement. The Limited Warranty provided with new Yamaha vehicles has exclusions for certain failures, including those caused by competition or racing use as well as by abnormal strain or abuse. While installation of these components will not "void" your vehicle's warranty, specific failures adjudged by Yamaha to have resulted from the installation of accessory components or other modifications or from competition use may not be covered by warranty or Yamaha Extended Service.
